Property Description

PRICE JUST REDUCED BY \$130k. TOO \$799,000 To say that Casa Castillo is unique is an understatement. Originally designed by and built by the daughter of Michael Landon, this amazing vacation villa will blow your mind... Hidden at the end of a cul-de-sac in a very exclusive part of Manuel Antonio, this Neo-Castle style, 6-bedroom villa in Manuel Antonio is an experience all by itself. Built facing the world-famous views of Manuel Antonio National Park, and several other islands that accompany them. The Castle has several levels with fine finishes and high-quality wood, tile, wrought iron and imported stone sitting on your own vacation fortress, offering ample room for up to 14 guests. On the entry-level floor is an apartment like a suite with its own entrance and stairway to the outdoor pool area. There is a total of 6 bedrooms, 6 1/2 bathrooms and terrace balcony overlooking the jungle and large lap pool.
