Property Description

Enjoy the views and breezes from this 242 acres of gently rolling terrain located above Hermosa Beach along the central pacific coastline of Costa Rica. Hermosa Teak farm is located up at an elevation of over 1,000 feet, and nearly the entire property offers outstanding valley and coastal views. Property fronts several km of public road frontage and also has several kilometers of internal roads leading throughout the property making this a developer friendly parcel with minimal infrastructure work to do for lot development. There are several acres of 18 year old teak and Milena trees ready for harvest, and use to build decking, ranchos, furniture, etc.... The farm is conveniently located just south of the busiest beach town on the central Pacific called Jaco, and north of Manuel Antonio and Quepos, which also has high traffic tourism. Surfing, Sportfishing, mountain biking, ziplining and many other tourist activities can be found within close proximity to this property.
