Property Description

La Torre is in Herradura, perfectly located between the entrance to Los Sueños Resort & Marina and a shopping plaza. There's an extensive swimming pool with a wet bar, Jacuzzi and two "ranchos" suited for doing barbecues on any given summer day. At the very top, on the 9th floor, it's the 2 bedroom / 2 bathroom Penthouse, with a large and accommodating living room overlooking the ocean. From the dining table and the stainless steel equipped kitchen, besides the sea, you get to appreciate the green mountains surrounding the city as well. There are 2 balconies perfect to feel the tropical breeze while sipping a cup of coffee. The master bedroom has a king size bed and wooden cabinetry with its private bathroom. The second bedroom is sizeable and it has twin beds, keeping in mind the kids or several guests. It was redecorated and given a fresh coat of paint a little over a year ago. Finally there's an exclusive rooftop terrace, as big as the Penthouse itself, with lounge chairs, Jacuzzi and an unforgettable view.
