The entrance to the Palmvita Estates development is a half a mile South of Uvita opposite the "Marina Ballena" National Park and just 500 meters (¼ of a mile) east on a private road off the new Costanera Highway. When you reach the front gates to Palmvita you drive up a paved entrance road that takes you through this exclusive property until you arrive at the estate home that overlooks the Palmvita Development. This luxurious, tropical, open concept 3-bedroom home has over 3,900 ft² of incredible living space, a large 700 ft² 2-tierd infinity pool, a 380 ft² roof top terrace and a small rancho overlooking the valley. This beautiful home has been constructed on the top ridge of a superb 10,000 m² parcel providing unparalleled views of the ocean, the Uvita whales tail and the majestic mountains that rise in the background behind this estate home.
