## Property Description

Prices for home sites start at \$50,000 with an ocean view, only 15 minutes from Quepos and Manuel Antonio. You can buy a nice fully improved home site with road, artesian well water plumbed to the lot and electric to the lot in a small international residential community with a solid track record, developing land and building homes. The developer is building for about \$80 per square foot for a modest US style home. Many home designs to choose from and access to the custom design team.
