Flamingo Beach with its stunning fine white sand and diverse beaches surrounding it makes this one of Central America's most incredible coastal destination. Its pristine clear blue waters, lagoons, vegetation and abundance of activities make this the perfect location to live, play or visit!. Playa Flamingo is the ideal vacation getaway! For decades it has been one of Costa Rica's favorite vacation destinations by both foreigners and Costa Ricans (Ticos). Some of the best deep sea fishing in the world is found here. Marlin, tuna, mahi mahi, sail-fish, rooster fish, swordfish and snapper can be found off the coast all year round. Playa Flamingo Marina once was the only safe haven between Acapulco and Panama City. In addition, a fantastic international sailfish tournament sponsored by the Costa Rican Amateur Fishermen's Club is hosted here every July.
