Property Description

The Casa Caballo del Mar is a spacious, private luxury home located in a gated development called Rancho Manuel Antonio, in a quiet residential area of Manuel Antonio. The home measures over 9000 square feet, including terraces, and blends well into the surrounding rainforest. It was constructed of only high-quality materials and finishes, from teak doors to almond floors. The main house consists of 3 bedrooms and 4 bathrooms, and there is a separate 1 bedroom / 1 bathroom guest house. The beautiful beach-entry pool also has a pool rancho / barbecue area. This estate is ideal for a family or private vacation getaway. The gated development offers 24 hour security, and also equestrian facilities for horse-lovers. Its a common sight to see monkeys or sloths in the trees outside your windows!
