Property Description

This well designed and constructed 2-bedroom house features spectacular ocean, mountain, and valley views from the living room and kitchen, as well as from the huge covered porch overlooking a large free-form pool. The galley kitchen is efficiently arranged and features granite countertops and top of the line appliances, Adjacent to the king size master bedroom is an extra room that allows for storage and is perfect for a sewing room or hobby room, and the private bath area for the master. The second bedroom has a queen size bed adjacent to the private bath area. The exterior areas feature a carport with storage areas, large trees, lush mature landscaping adjacent to the large pool overlooking the unlimited view to the surrounding mountains and ocean. The home was constructed by a master builder to exacting standards of the original owner, and has been maintained in perfect condition, from the tastefully chosen tile floors to the beautiful wood ceilings throughout.
