Private location with sweeping views of the jungle canopy all the way to the white-waters of the Marino National Park beach. 2 ocean view villas, each with their own gated, private entry. Room to build an infinity-edge pool between these villas, and a large main house above. A perfect place for 3 generations to enjoy this location. A daily breeze blows up from the ocean keeping the temperatures cooler at this 1100' elevation. Plenty of fruit trees - bananas, plantains, coconuts, pineapple, cashews, all producing, as well as toucans and the kamikaze monkeys too!
