Property Description

Lomas del Sol community is located a short drive away from one of Costa Rica's best surf break, stunning Marbella beach. The community offers the best infrastructure available, underground utilities, paved roads, security, ready to built plots and a solid successful development firm that will guide you hand in hand, from lot selection through construction, property management, and daily services. The Tiki hut restaurant located right on the beach will be the perfect getaway for your close ones while you are out surfing, and the place to recover and prepare for your next session. Or just chill and enjoy with the sound of the waves and the ocean breeze. Paving of internal roads of the project has started and once completed, prices in the project are going up on average 20% after that – great time to buy right now! Lot is located 25m away from the residential clubhouse and at the highest point of the project, with complete ocean view at any point of the lot.
