Property Description

This beautifully detailed home has 150 degree, expansive ocean views of the Dominicalito Harbor, south to Cano Island and north to Manuel Antonio. The home is extremely well laid out and designed to fully take advantage of the views, sunsets and the tropically breezes. As you pass through the gated entry, you enter the enclosed courtyard that is beautifully landscaped with tropical foliage and highlighted with the ceramic Spanish fountain. The formal entryway of the home rises to the roof line and opens to the outside terraces and views. Throughout the house you will find tropical woods, cathedral ceilings, ceiling fans, tile insets, natural stone and beautiful lighting. The spacious kitchen features ocean views and direct access to the outside living area and covered car port. The kitchen island adds to the food preparation area and there is a large, walk-in pantry. Adjacent to the kitchen and pool there is a large covered balcony that provides a cool place to entertain.
