Property Description

Welcome to Hacienda Pacifica Our tropical rainforest location brings nature to the back door of your private town home. We provide the ultimate affordable Costa Rican vacation destination for those who seek a secluded, self-designed, relaxed, family-friendly, adventure-filled travel experience in the Manuel Antonio – Quepos area. We have 2 pools, one especially designed for small children. Our spacious custom designed homes were built in 2011 and contain all of the modern conveniences. You can view the rainforest from your balcony, so don't forget your binoculars! The grounds are planted with native plants and flowers which attract many bird species and exotic butterflies. Look closely into the rainforest in the early morning or evening and catch a glimpse of a frolicking family of squirrel monkeys. Each complex of four plantation-style villas containing 4, 1500 sq ft. town homes, were designed with the utmost respect for the environment.
