Property Description

As seen in the LA Times, California Home and Design and Unique Homes magazines, Casa Mar y Luna is a rare, once-in-a-lifetime opportunity to own one of the most breathtaking homes on the Pacific Coast of Costa Rica. Casa Mar y Luna was designed from the ground up to enable guests to enjoy and experience the stunning beauty of its surroundings in comfort and offers a multi-sensory experience. Its location is unmatched in the area: panoramic ocean and mountain views, private, but only two minutes from the Coastal Highway and less than five minutes to the nearest beach. Drawing on the original owner's travels to over 50 countries, the house incorporates unique design features in an elegant yet minimalistic approach we call Tropical Elegance. The house was designed to provide a luxurious and comfortable lifestyle. There are 4 bedrooms, 3 large and one smaller, each with its own distinct personality and view.
