## Property Description

Welcome to "Candelillia", one of the most spectacular properties currently available in this area at this pricepoint! Located in Coronado approximately 25min south of Uvita, Costa Rica's fastest growing community, this 2.25acre, 4 home, gated and landscaped estate is an incredible investment, with even more incredible views!! Winding up the gated concrete driveway, surrounded by lush landscaping and jungle, you're presented with a large owner/caretaker house on your right, with a massive double-bay garage at ground level. The second story (level with the upper lot) offers a spacious living area replete with kitchen, dining, bathroom, large wrap-around deck, and a huge master bedroom with ensuited bathroom. Carry on up the driveway a little further to a large parking pad on your left where gardens and scenery abound. Here, at the top of this fantastic lot, you'll find not only panoramic views that are jaw-dropping, but an additional 3 separate, independent abodes - 2 casitas on opposite sides of a large infinity-pool; both with bedrooms, studies, bathrooms, and decks with amazing views - and 1 larger "communal" style home with a massive kitchen, dining room, living room, linens room, laundry room, bathroom and more.
