## Property Description

There are few lots in Tamarindo with ocean views for less than \$200K. This is the least expensive of them all. There is great value here. There are stand on the ground ocean views. Second story ocean views will be wonderful and you can build up to three stories. Building footprint for this lot is over 3500ft<sup>2</sup> on the first floor. The lot has great neighbors with new and modern homes. You'll be able to walk to the beach, shopping, and banking. Access is good year round. It only takes a moment to click for more details...what are you waiting for?
