Property Description

Located within with 20 mins from the beachside town of Playa Dominical with easy access and cool breezes this amazing waterfall property awaits the nature enthusiast. Own your own waterfall in Costa Rica. THE SETTING, At the end of a country road set amid a hillside landscape of gently rolling hills lies one of Southern Costa Rica's gems of a property. The property is perfect for the land owner looking to build a ranch style home with horses and one whom wants to enjoy the beaches of Costa Rica but not the heat that comes with the it. Spend you mornings walking along the beaches of Playa Dominical collecting sea shells, surfing, or just enjoying coffee at one of the many coffee shops. And than enjoy your afternoon's amid the cool nature swimming pools of your private waterfall.
