Property Description

Welcome home to paradise.....Tucked away in the laid back beach town of "Ojochal" we find this very well built 3 bedroom 3 bathroom home. The home was commissioned by long time resident and Canadian contractor. He has a reputation for building quality homes built to North American standards. Rest assured this home was built with the best materials both inside and out! and will stand the test of time. The property itself is roughly 1.5 acres in size, and is within a small private gated community owned by the Seller, consisting of only 2 other rental homes. This house is very private with no views of any neighbours. No 4x4 is required allowing for easy, year round access to the property in fact the home is within walking distance of the areas Top restaurants. This scores Big with potential renters! Upon entering the property we are met with an immaculately landscaped yard, full of lush tropical vegetation, lipstick palms, and various fruit trees.
