Property Description

House is located on the North West Pacific of Costa Rica, at the end of a cul-de-sac on the 13th hole of the Arnold Palmer golf course. Floor to ceiling windows boast a panoramic view of the Pacific Ocean. The five bedrooms sleep 10 comfortably; although a maximum of 12 people are allowed per stay. The home features over spacious living, landscaped vegetation and lush rainforest. Located 80 meters above sea level and 300 meters from the Pacific Ocean, guests can relax by the modified figure-8 infinity pool as they gaze at the horizon. A gazebo is nestled at the edge of the property, providing a prime spot to watch the monkeys in the morning and view the sunset each evening. Access to the beach club, golf, tennis, marina and numerous restaurants is included in the rental. Furthermore, guests who stay for a week or longer receive a scuba/snorkle/fishing trip for up to 8 people and a gourmet dining evening for up to 8 people from our Costa Rican hosts who will welcome and introduce you to our home.
