Property Description

Ocean views. Easy access. 850 feet above sea level. Open design that brings Costa Rica right into the living room. Nature in all of its diversity and beauty. You and all your friends will be totally impressed when you walk in the door. This property sits above one of the most idyllic beach areas on the Costa Ballena, Playa Dominicalito. From the coastal highway, you will take an improved gravel road a quick 7 minutes up to the house. Its setting well off of the main road provides the privacy and security home you are hoping for. The views are expansive, sweeping, relaxing, soul filling.... The lush Dominical ridgeline runs from cloud covered heights down to the Pacific Ocean. If you want one of the best ocean view houses in the area, then this home has to be on your list. Whether you enjoy watching whales breaching or photogenic sunsets, this view ranks with the best. All 3,500 sq. ft. are built to stand the test of time.
