Property Description

Three things will immediately catch your eye in the this home: first, it is on the main road of Ojochal but hidden away by a driveway through lush plants and trees, second, it has a refreshing 12' X 18' pool in complete privacy, third it has an oversized kitchen/dining area that becomes the central gathering space for the home. The house is simply designed and constructed, with the main bedroom suite upstairs looking out to the yard and greenery and a second guest bedroom downstairs. Furniture, large appliances, and kitchen dishes and utensils are all included, as is a Suzuki car that would be a nice starter or second car. Outside there are mature fruit trees including mango, star fruit, and papaya. If you want a home that is easily accessible where you can be part of a Tico neighborhood and enjoy being part of the culture and family life, we'll be happy to show this one to you.
