Property Description

A serene garden oasis with easy access to everything! This tastefully decorated 1600 sq. ft. bungalow with mountain view, is on a beautifully landscaped property with many fruit trees, floral plantings and has a 8m x 10m tiled pool. The house is a well-maintained 6 year old bungalow, nestled amongst a little community of similar homes, just 2.3 km from the Costanera, minutes from beautiful beaches, with excellent access to village restaurants, shopping, yoga, etc. You will enter the property through a decorative iron gate, and park your car in one of two covered carports. The driveway is a sweeping gravel expanse, making it easy to maneuver two vehicles. As you enter the house through the double front doors, the first things you'll notice are the soaring ceilings and breezy open flow of the living room, dining room and modern, well-equipped kitchen with a breakfast bar. On your right there is an open plan office with built in queen-size Murphy bed and additional storage.
