Property Description

Casanahata completed its remodel in February 2016. Built on the edge of Nosara's Green Zone, it is surrounded by Jungle and lies moments from the 7 kms of pristine Playa Guiones Beach (7 min walk, 2 min bike ride). With a clean, contemporary feel, light and airy, private and peaceful yet centrally located, it is a stones throw from numerous restaurants, supermarkets, stores and the Nosara Spanish Institute. A short stroll on the jungle path takes you to the Nosara Yoga Institute and Bodhi Tree. Downstairs has an open concept living and dining area that opens on to a large covered teak wraparound deck (495 ft.2) over looking the jungle and garden, a fully equipped kitchen with marble counter tops, powder room, laundry area and a large guest bedroom with an en-suite bathroom. A custom made wooden staircase leads you upstairs to the stunning master bedroom with walk-in closet and a large walk-out deck over looking jungle, master bathroom with a separate toilet and a further bedroom.
