Property Description

A luxury home that requires only one thing – your name on the title! A home in Costa Rica is more than a home, it is a reflection of who you are and the image of your personality. Casa Tanglewood speaks to those buyers who desire privacy, luxury, views, entertainment and yet simplicity. This home has been immaculately maintained by the owner with no money spared in maintenance, upkeep and is fully prepared for any buyer to immediately move in. This is a Spanish styled luxury home situated in the mountainous community of Lagunas, which is just minutes from Dominical. The residence is perched high above the jungle valley at an elevation of 900 feet above the sea. The home and its luscious landscaped estate provide security, as well as peace and quiet while providing miles and miles of ocean views and gentle breezes throughout the day. The Lagunas community is exactly that, a community of homeowners.
