Property Description

This is a very private lot with mountain, jungle, and river views. This lot has a large building area with the mountain views at the one end and an insane drop-off. It has a 1 meter wide path with a 90 degree dropoff on the left and a 70 degree dropoff on the right down a long, long way. It opens up again to a small section that would accommodate an amazing rancho! The lot also has many fruit trees such as, limes, lemons, grapefruit, tangerines, water apples, avocado, mangos, papayas, guyabas, lychee, jacotes and more! Plus the 75 meter long driveway is already paved for you. Call us at Coldwell Banker Pura Vida Paradise for more information and a showing today!
