Property Description

Beautiful property for residential or commercial use in the center of Atenas. This beautiful property with an excellent design, is configured for different uses, it can be used as an apartment, main house, offices, it can be easily modified for different uses. The property is located in the center of Atenas and very close to Route 27. Currently it is a 2 bedroom house on the top floor with a spacious living room, kitchen, back balcony, main room and bathroom. The back of the house has a large balcony with views of the mountains. The front can be easily modified to become a commercial store front and although the house is entirely made of concrete block the main rear wall of the master bedroom is lightweight and can be easily removed and amplified. The ground floor apartment has its own kitchen with separate entrance, living room and terrace. There is plenty of gated parking space with additional storage.
