Property Description

This is probably the best developmental lot left in the Quepos area. The property is perfect for a strip mall, gym, supermarket or any other retail type business. It has plenty of space for building but also has ample room for parking which is very difficult to find in this area and this close to the center of Quepos. The property has over 10,000 M2 to build and over 8,000 M2 of green zone. This is one of the very few properties that has a lot of road frontage. This road is the ONLY road from Jaco to Quepos/Manuel Antonio and the Osa. The traffic must drive right in front of this property to get to either one.
