Property Description

VILLA TROPICA IS A PRE-DESIGNED HOME YOU CAN HAVE BUILT ON A LOT YOU MUST ACQUIRE SEPARATELY. THE LISTING PRICE IS FOR THE DESIGN AND CONSTRUCTION ONLY. This spacious Costa Rica home, designed specifically for family-oriented or accessibility-focused residents, features 4 bedrooms and 4 bathrooms. All bedrooms include closets with built-in storage units and private outdoor decks covered with pergolas. The master bedroom offers exterior access to its own deck and the pool, through double sliding door openings. The en-suite principal bathroom includes a double-sink vanity and a walk-in closet. The great room (dining, kitchen, and living areas) impresses with its vaulted ceiling and offers two sliding door openings, one to an outdoor deck with BBQ and dining area next to the pool, and the other to a private terrace. There is also a pass-through serving window between the kitchen and an outside counter in the pool area.
