Property Description

Lot #2 affords spectacular ocean and mountain views. There is a large, flat, solid, main building site, with plenty of space for a house and pool, guest house or yoga studio. Towards the ocean, you look out over the 60 acre private Reserve, and, behind, the lot is surrounded by dense forest. Side views are to mountains. It's common to hear howler monkeys up here, and a creek running through the forest behind the lot adds to the ambience. The 0.89 hectare (2.2 acres) lot is accessed by a high-quality, gravel road. Water and electric are already in-place.
