Property Description

This is a very peaceful, romantic, and idyllic tropical getaway to unwind, recoup energy, commune with the nature, soak up the Sun, find tranquility, and return to your normal busy life, with a positively enhanced perspective! Ideal as both a romantic getaway, as well as for an unforgettable family vacation. The gated tropical estate with a spanish mansion is comparable to a luxury boutique hotel. The house offers absolutely amazing uncluttered views of the ocean, the lush green mountains, and evergreen valleys, from every covered patio, and every-room, in the 2 1/2 acres of a fully gated estate, with mature well-manicured classic gardens, and a swimming pool. It has a fully-equipped very large modern kitchen, with all stainless-steel appliances, double-oven, six-burner stove, side-by-side refrigerator-freezer, etc, and granite counters. The house is extremely well-furnished. The gardens in the estate contain many different types of fruit trees, and many different varieties of vegetable beds.
