It is a luxury hotel on the best swimming beach of the Osa Peninsula, freshly built, never operated, ready to open its doors to teeming volumes of ecotourists eager for a stunning sun and sand destination in one of the world's premier travel destinations: Colorful Costa Rica! We have FIVE one story villas, each with separate entrance, private bathroom, upscale fittings and furnishings, each one with a different layout of beds. And we have FOUR two story family villas, three with kitchen and bathrooms on both levels, one of them without a kitchen but facing the courtyard and pool and steps from the restaurant and bar. The main common building has an open air restaurant and bar, reception area, conference center, spa and massage center, commercial kitchen, second floor lounging area with bar, swimming pool, tiled deck, and a THIRD bar by the pool: after all, you can't have too many drinking spots in paradise.
