Property Description

Spacious House for Sale with Large Yard in a Prestigious Community. This spacious Spanish Colonial house with a large yard was built in 2004, with lovely architectural details. As you enter the house you are greeted to the 2-story vestibule with a dramatic vaulted, brick ceiling and iron chandelier. The living room and dining room have elegant dome ceilings and Italian chandeliers. The eat-in kitchen has granite countertops, Italian appliances, and a breakfast bar; and is open to the family room and the large covered terrace beyond. The office with lots of natural light and tall ceilings is perfect for telecommuting. The master bedroom suite features air conditioning, a walk-in closet, and double sinks in the bathroom. Two other bedrooms share a full bathroom. There is plenty of parking for family and guests. The large yard is perfect for pets, playing with your children, or enjoying a BBQ with friends.
