Property Description

This property is an amazing estate property located just a stones throw from Marina Pez Vela and the world reknown Manuel Antonio National park. This expansive property which is well over a half acre in size offers privacy, security, an abundance of usable land and a unique combination of serenity and convenience. The home is actually a total of three houses on one property. The main home, is an expansive 3 bedroom, 3.5 bathroom luxury rental property which is perched on the highest part of the property. You enter the fully gated compound and drive up the estate driveway to the carport and main entry of the home. You are greeted by panoramic views of the Fila Chonta Mountain range and Costa Rican rainforest from all sides. the main floor of the home is a beautiful open floor plan, with exotic hardwoods and hosts the cooks kitchen, living and dining area, a guest bedroom with full on suite bath, an office space, and a half bath for guests.
