Property Description

This traditional ranch-style home is in the community of Daniel Flores to the south of San Isidro de El General in the beautiful mountainous canton of Perez Zeledon. The home is a solid concrete block with interior use of brick and wood to give it that homey and very traditional feel. The main home has 3 bedrooms and 2 baths and spacious living, dining, and kitchen areas. There is also a guest house with 2 bedrooms and 1 bath. There is a large pool and rancho with half-bath for outdoor entertaining. The grounds surrounding the home are immaculately maintained with gorgeous trees, many of which are fruit-bearing. There is very large mangosteen that produces tons of this exotic and very healthy fruit when in season. The home is super accessible, yet private, and 4x4 is definitely not necessary. The home is only 15 minutes from downtown San Isidro de El General, the second-largest city outside of the GAM of the central valley (the area that includes San Jose, Alajuela, Heredia, and Cartago).
