Property Description

At the summit of Hills of Portalon, this architectural masterpiece home is “Best in Class” for ocean view. Just 25 minutes from Marina Pez Vela in Quepos/Manuel Antonio, 20 minutes from the Quepos airport, 10 minutes from Playa Linda and Playa Matapalo, and 20 minutes from Dominical. Facing west toward the Pacific at 1100 feet above sea level, enjoy the expansive, awe inspiring whitewater coastline view extending from the Osa peninsula to Manuel Antonio National Park and beyond, and Cano Island to the south. Sip on a refreshing tropical drink while admiring the magnificent fiery sunset views! The 3,500 sq. ft. home was designed by a senior architectural team with specialties in artistic structural design and exterior/interior lighting. Inspired by the smooth curves found in nature, the gentle arching roof blends in with open truss and attractive support elements. This home is for the person that appreciates the best in unique design, one that blends modern and classic styles for comfort, artistic design, and light, with full windows throughout to bring nature inside.
