## Property Description

This spacious, split level, home is located in the prestigious community of Villa Real; which is highly desired for its great security, fabulous amenities, easy access to the highway and walking trails. The home is designed to take advantage of the views overlooking the forest canopy, a variety of outdoor living spaces and the enjoyment of your family and guests. As you enter this spacious home, your eye is drawn to the living room and dining room with marble floors, high ceilings and access to a large balcony and deck that overlooks the forest canopy, the mountains beyond and sunsets. To the left of the entrance is a large office or library; perfect for telecommuting. The large kitchen is perfectly located for entertainment purposes and includes stainless steel appliances, lots of cabinetry, granite countertops and a pantry. Beyond the kitchen is a laundry area and maid's quarters. The second level of the home features a very spacious master suite on one side of the house with air conditioning, balcony, large walk-in closet, an adjoining room that could be used as a nursery or office and magnificent bathroom with double sinks and a jacuzzi.
