Property Description

This incredible Richard Muller design brand new four bedroom, four and a half bath home represents all there is to love about a home here in Costa Rica. With a focus on indoor and outdoor living, the architect has leveraged over 3200ft² of air conditioned living space into this spectacular ocean view home. From the gourmet kitchen, fit to host any chef, to the salt water infinity pool, nothing has been overlooked in this immaculate design. With a balcony on each of the 3 floors, each covered from a terrace, facing the ocean there has never been a more relaxing home view from the north to the west. Floor to glass ceilings is present in the main living/dining area results in an abundance of natural light throughout the home. Each of the 4 well sized bedrooms has an en suite bathroom with one powder room on the main floor, the two upstairs master suites have a commanding view of the ocean, estuary and valley within Senderos.
