## Property Description

This newly-built Costa Rican retreat center is nestled within a lush, blooming equatorial garden and uniquely positioned just a short walk to the Uvita river, and a short drive to the center of town or the southern surf of the Pacific Ocean. The retreat is equipped with comfortable, air-conditioned eco-luxury suites, and quality bedding, and deluxe pillowtop mattresses for ultimate luxury. Both king-sized and queen-sized bed options available throughout the accommodations. Six suites can sleep up to 17 people – singles, couples, groups of friends on a yoga holiday or wellness retreat. The property is large enough for your Costa Rica retreat or special event with ample parking to spare. Below the Yoga deck, you will find individual accommodations for single individuals. The retreat has access to a fully-stocked kitchen to prepare healthy, organic plant-based meals. The kitchen is also close to the pool for easy service of the guest while hosting an event or retreat. The tropical gardens and walkways will immerse you into the bamboo pathways that connect the Suites, which are far away from the main entertainment area for a sense of privacy.
