Property Description

Casa Koorá is a luxurious retreat for your mind, body, and soul. Located at 1000 feet above sea level, this single story luxury home includes panoramic views of the Pacific Ocean and Osa Peninsula. Casa Koorá features an amazing open floor plan layout. It features luxurious amenities such as HUGE covered terrace with BBQ area, a lush rainforest jungle, and a big infinity pool. With an ideal location, whether you're planning to relocate or looking for a vacation home in Southern Costa Rica. Casa Koorá is part of the exclusive five-home Calle Maleku gated community. It was the first home this developer designed; you can see the amazing layout and details throughout the house. As soon you arrive to this gated community, you will be surrounded by High end homes which were built by the same developer in order to keep the high quality and the mix of the luxury with the jungle. In addition to offer a secure entrance, the community offer underground utilities, great condition roads and a management company in place in case you want to rent your home as a vacation rental and generate a great ROI.
