Property Description

Casa Plomo in Surfside/Potrero is a brand-new 4-bedroom, 3.5-bath home with a swimming pool and a gorgeous poolside bar. Completed in January 2021, Casa Plomo is the first “baby” of the new year in this market, and it’s long on wow factor. As you walk in through the main gate (or drive in through the remotely operated gate to the two parking spaces), there’s a gorgeous, 10-meter pool to the right, surrounded by gardens and a deck area, with an innovative bar on the far end. (How do you say “pool party” in Spanish?) To the left is the gorgeous lead-gray home (“plomo” means “lead”). In the huge main room, with soaring ceilings, the kitchen is to the left, the dining area in the middle, and the living room to the right. Brand-new stainless-steel appliances include a five-burner gas range, a big refrigerator, a dishwasher, and a microwave. A kitchen island contains the sink, with granite counters to match the rest of the kitchen.
