Property Description

This contemporary home was built in 2018 and is located near Marino Ballena National Park, within walking distance from the beach. The home sits on a 500 m² perfectly flat lot with gorgeous landscaping, spacious parking and a modern electric sliding gate. Features include beautifully made teak wood cabinets and a teak ceiling with recessed lighting in the kitchen. The living room is spacious with sliding aluminum doors allowing you access to the garden. A metal staircase brings you to the Mezzanine bedroom and master bathroom. There is plenty of room in the backyard to add a nice size swimming pool. A furniture package can be negotiated, making this offer completely turn-key.
