This idyllic environment immediately captivates those who decide to try the unique lifestyle that is possible to enjoy here. World's best climate, its views, and its people make this picturesque place a staging of the yesteryear lifestyle, that of the peasants and oxcarts. Here you can enjoy this country's atmosphere. Still, a short distance from the main cities, since Atenas belongs to the metropolitan area, giving you the possibility of accessing all the services and shops that this unique country offers.
