Property Description

This property is an AMAZING home built right into the canopy level of the rainforest here in Manuel Antonio. It is an amazing experience to live at the treetop level and the homes kitchen, bedrooms, living area and pool are luxurious spots from which to watch the daily shows of wildlife which has made this area so famous. You enter the home into a spacious living area that has a large glass window and doors on each side, designed to capture the cooling breezes and allow you to live as if you were in the trees. There is a beautiful open concept cooks kitchen with hardwood cabinets and beautiful granite countertops. The kitchen and living area open onto an expansive terrace and pool deck, which is the perfect place to relax, lounge in the pool, count the monkeys, sloths and scarlet macaws while you chat with family and friends. There are two spacious bedrooms on the main level of the home which share a jack and jill style bathroom as well.
