Property Description

This large and open, bright and breezy home is located in a private housing development in a small, rural town. It was built just a few years ago using the best materials available. There is an abundance of nature but not much night life. There are many tours available and several secluded beaches, and National Parks and waterfalls nearby. The fishing is world class. Paquera sits between the Pacific ocean and the calm, flat waters of the Gulf of Nicoya so there are water sports available every day. The home has an open plan living room and kitchen area with high cathedral ceilings. There are two ample bedrooms, one with a private bath. The location is private and peaceful with an abundance of birds and monkeys passing through. Paquera has several seafood restaurants, two large supermarkets, a local bank, a gas station, an excellent large medical clinic, a police station and several small hotels.
