## Property Description

Tucked away in the exclusive, gated community of Playa Escondida, adjacent to Los Sueños Resort, this gorgeous 4 bedroom, 5 bath beach house is just steps away from the water on one of the most beautiful secluded beaches in Costa Rica. Sharing a private pool with 3 other houses in a shaded cul-de-sac, the upper floor of this beautiful vacation home features a spacious chef's kitchen with a double wide refrigerator and freezer, and open concept living and dining areas that lead out onto furnished decks, where one can enjoy the fresh ocean breezes along with expansive jungle and ocean views. On the same floor, the entrance foyer boasts a unique salt-water fish tank that is built in to the wall, thus showing jungle trees through the other side. Beautiful polished Costa Rican wood, high-end fixtures and appliances, and ceramic tile throughout, nothing was spared when it came to the interior of this luxury beach house.
