Property Description

700 acre or 285 hectare farm located ten minutes from the Palma Tica plantation of manicured palm oil trees adjacent to the town of Paquita, north of Quepos along the coastal highway. Finca Del Presidente is 25 minutes from the town of Quepos and the beautiful hillside town of Manual Antonio. Some of the best surfing, beaches, restaurants and hotels in Costa Rica are located in these two towns just 25 minutes from the farm. Manual Antonio National Park is the # 1 tourist destination in all of Costa Rica. Finca Del Presidente has over two kilometers, (one and a half miles) of organic, mountain fresh rivers and streams, which originate in the mountains. This creates access to abundant pure, fresh water. There are two spectacular waterfalls on the farm, one over ten meters or 35 feet in height. Finca Del Presidente has one of the best natural swimming holes within twenty miles according to the locals.
