Property Description

7.25 acre property with lovely ocean views and panoramic views of a lush green valley located in the mountains above Uvita/Dominical in southern pacific Costa Rica at an altitude of 2230 feet. Ideal, cooler than beach climate and only 7 miles to the Coastal highway and nearby beaches of Dominical, Playa Hermosa and Uvita. Property contains hardwoods, pasture, a creek along one corner, a spring, road and electric access and municipal water. The panoramic ocean view is breathtaking and there is space for building on both the upper and lower parts of the property. Nearby rental is available if needed during construction period.
